

Catholic Schools Music Festival

The background is a warm, golden-yellow gradient. In the lower-left corner, there is a dark brown silhouette of a person's head in profile, facing right, with their hand held up as if holding a glowing orb. Inside and around this orb are various musical symbols, including a treble clef, a bass clef, a double bar line, and several musical notes. The overall design is artistic and celebratory.

Welcome

Dear members of the Catholic Education community, It is with great pleasure that I welcome you to the 2016 Catholic Schools Music Festival.

This premier event continues to be a highlight of the Catholic Education calendar and a wonderful celebration of the musical talents of Catholic school students.

We are proud of these students and of the many Catholic Education staff who support them to be a part of the Festival.

I know you will enjoy the performance and will join me in celebrating the gifts within our Catholic Education community.

HELEN O'BRIEN
DIRECTOR
CATHOLIC EDUCATION SA

*"When we can't find
the words we seek,
when all words fail,
still music speaks..."*

As we present the 28th annual Catholic Schools Music Festival we invite you to reflect on the joy and value of music in your life. How music allows us to dream, to imagine, and to be centred and hopeful.

This evening, your child will bring you all of this in an outstanding night of musical joy and entertainment. We thank you for supporting your child in their commitment to excel in tonight's performance and know you will be proud of them.

We also acknowledge and thank the dedication of the Choir Trainers, Music Coordinators and the Festival Committee, who make this performance possible. We also thank the South Australian Commission for Catholic Schools, Catholic Education SA, and school principals. So sit back and allow us to take you on this musical journey.

"...Music moves the heart"
